Cascia

Start from the Church of S. Rita and Chiesa and take the main road towards Cascia. After approx. 2.5 km turn left for loc. Casali B. Gualdo, where the road turns gentle and follows the sign for the first minutes on asphalt. Walk near the fountain to open the forest the road climbs you near left which along the forest. Walk slowly to overcome for the left climb. Continue along the clearly marked track and after about 800 m on apparently flat ground, you will reach the concrete support of the repeater on your left. Turn left here towards Casali Guadalupe. Continue for about 800 m and then take the right turn (on an apparently flat ground). Along the path are some interesting examples of calcareous rock of the Valnerina and the bay tree and flowering quarters across the floor and the mountain on the ground floor. After walking approx. 1.5 km you arrive to a fork, to the right you see you see a recently built farmhouse. Cascia, Castelo, Norcia are visible on the left. Keep along the narrow mountain path for about 1 km as far as the fork and turn down on from Cascia, where you turn right towards the church of S. Rita and your point of departure.

The path is mostly flat and presents a very steep ascent near to a point where there are no trees. Start from the Church of S. Rita and take the main road towards Cascia. After approx. 2.5 km take the left turn for loc. Casali B. Gualdo, go gentle uphill and follow the sign for the holiday farm. Go past the fountain on the left as far as the fork and take the left turn in fork, which climbs to overcome for the left climb. Continue along the clearly marked track and after about 800 m on apparently flat ground, you will reach the concrete support of the repeater on your left. When you turn left towards Casali Guadalupe on the right. Continue for about 800 m and take the left turn here (arrow). Keep straight on for about 1 km to reach the summit of Mount Devinaglia - 1,000 m a.s.l. From here you can discover all the routes of the Apennines from the Gibellini Mountains to the Monsummano Mountain. To return to the starting point go past the hut (green, only open on the left, go straight on for roughly 50 m and then at right angles through the rocky ascent. Take you reach a major intersection with a wonderful view of Casali B. Gualdo. Take the left hand road to the left. Keep straight on past 3 houses, the first on the left and the second on the right. The road with continuous descent leads to Cascia (arrive nearby as being the village of departure).
